John Krecek, LEED® AP  
JFK Electrical Contracting Enterprises, Inc.  
1439 W. San Angelo St.  
Gilbert, AZ 85233

Dear John:

Congratulations! The National Green Building Committee of Associated Builders and Contractors (ABC) is pleased to name designate JFK Electrical Contracting Enterprises, Inc. of Gilbert, AZ a **Certified Green Contractor**. After careful review of your application and third-party onsite assessment report, it is obvious that JFK is deserving of this designation. Your commitment to a sustainable workplace environment – both on and off the jobsite - demonstrates that JFK is an industry leader. The committee encourages you to continue implementing and improving these sustainable practices throughout your operations.

Recertification will be required after a three year period. ABC will contact your firm within six months of your certification expiring. In the meantime, feel free to contact our staff liaison Jen Huber ([huber@abc.org](mailto:huber@abc.org) or 703.812.2033) with any questions you may have.

Again, congratulations on this accomplishment.

Sincerely,

W. Brewster Earle, LEED® AP  
Chairman, ABC National Green Building Committee  
President, Comfort Systems USA Energy Services
